

Thanksgiving Holiday

Start Date: 11/27/2020

End Date: 11/27/2020

Howard County Government offices, courts, historic sites and animal shelter will remain closed on Friday, November 27th; however, county parks and the Alpha Ridge Landfill (with modified operations) will re-open. Please remember, when visiting the Landfill, face coverings are required to be worn and a physical distance of at least six feet from those outside your household maintained at all times. Also, as there was no Thursday curbside trash, recycling, yard trim and/or food scrap collection on Thanksgiving Day, the County's holiday "slide" schedule is in effect for the remainder of the week.

Also, while Recreation & Parks community and athletic centers and activity rooms will be closed on the 27th to the general public, they will be open for scheduled special or permit-approved events that day. Additionally, the County's 50+ centers remain closed at this time due to the COVID-19 pandemic.

The Regional Transportation Agency (RTA) buses will resume a regular weekday schedule on Friday, November 27th. For more information on RTA services, call 1-800-270-9553 or visit www.transitrt.com. Also, parking fees will be in effect on the 27th.

The 9-1-1 Center, Police and Fire departments remain staffed 24 hours a day, seven days a week. For emergencies, call 9-1-1 and for non-emergencies, call 410-313-2200.

County operations will resume on Monday, November 30th at regular business hours. Please keep in mind, while most County Government buildings remain closed to the public at this time, several Recreation & Parks facilities and historic sites have reopened with limited hours.
